W. E. PATRIE
PHYSICIAN AND SURGEON

Blackfoot, Idaho,
Aug.2, 1930

Hon. C.K.Macey,
Com'sr Public Welfare,
Boise,Idaho.

Dear Sir:

The enclosed Indian births and deaths are copies from Dr.Henry R.Wheeler's originals which he forwards to the Department of Commerce at Washington D.C., or the Indian Department.

It occurred to me that perhaps you desired a record considering that this death was the result of an unprovoked and brutal murder the perpetrator of which has not been apprehended.

Tendoy with his family was camped near the roadside a very few miles north of the Idaho State line and was visited by a party of foreigherns and beaten by a neck-yoke or bludgeon. His family instead of appealing to Montana authorities brot the body to the reservation and appealed to our Bingham County officers, after two days drive by horse and wagon in hot weather.

The facts as stated above is as stated by Mr. Ray Mc.Clelland, Bingham County Coroner.

This death occured in Montana, and I believe that no certificate of this death is on file in Montana.

I did not record the Tendoy death.

Yours truly,
Mrs Walter E. Patrie
Local Registrar.

P.S. The cause of death is incomplete. Dr.Wheeler is acquainted with the circumstances of the murder and the same should be indicated on the returns.

Dear Doctor:

Idaho, as you no doubt are aware, is in the United States Death Registration Area and we are required to furnish transcripts of death certificates to the Census Bureau in Washington. In order to avoid delays in completing their statistics in Washington we are required to have these certificates as complete as possible in order to meet their requirements.

We are asking for some further information on the certificate mentioned below and enclose herewith a self-addressed penalty envelope for which no postage is required for your convenience in returning this letter with the information desired. Kindly co-operate by giving us this information as soon as possible so we will not be bothering you by writing again in reference to this certificate.

Respectfully yours,

C. K. Macey.

Special Agent, Bureau of Census.

In reference to the death certificate of:

James William Harlow who died at Nampa, Idaho on July 2, 1930
Cause of death given as "Septicemia."

Information DESIRED in order to complete certificate:

PLEASE STATE WHAT KIND OF AN OPERATION WAS THE PRIMARY CAUSE OF DEATH.

PLEASE ANSWER BELOW:

No operation was in any way the cause of death. Mr Harlow stepped on a nail which gave entrance to the infection. The wound was both opened, but that in no way contributed the his death,
